

THE KAZICKAS FAMILY FOUNDATION

Sept. 13, 2004

Ms Christina Bruning
President
Women's Business Exchange
580 Front Street South
Issaquah, WA 98027

Dear Ms. Bruning:

The Kazickas Family Foundation is pleased to inform you of our sponsorship of the Women's Business Exchange "Across Cultures" program that will take place in Seattle in October.

We are delighted to be involved in such a worthy project. One of the goals of our foundation is to provide a variety of educational experiences for future leaders of Lithuania ... in business, the arts, technology.. especially, the opportunity to travel and be exposed to new ideas and different cultures.

The schedule of events you have arranged for the Baltic businesswomen is impressive. The mentorship program and meetings with business leaders in the Seattle area will help enhance the potential of these women and teach them new skills and strategies. The seminar on human rights is of great importance as we deal with the special challenges facing women all over the world today.

We applaud the work and goals of the Women's Business Exchange and wish you much success.

Sincerely yours,

Jurate Kazickas
President
